2. To nominate and elect Five (5) Directors of the Corporation.
3. To consider and act upon a proposal of the Mountain States Telephone and Telegraph Company, a corporation, to purchase from the said Occident Club the following described real property owned by it, to-wit:-

The North Thirty (30) feet of Lots Numbered One (1), Two (2) and Three (3), Block Numbered Three (3) of the Townsite of Meridian, in Ada County, State of Idaho, according to the Amended Plat thereof in Book 1 of Plats at page 30 of the records in the office of the County Recorder of the said Ada County, State of Idaho, for the sum of TWO THOUSAND DOLLARS (\$2,000.00) cash, lawful money of the United States.

*Helen Marie Clark*  
Secretary of the Occident Club."

The President stated that the order of business as stated in the aforesaid call of this meeting would be carried out at this meeting. Accordingly, the first order of business was to consider, formulate, and adopt a new code of by-laws for the corporation. George L. Ambrose, attorney and counsellor, was present at the meeting and explained fully that in view of the condition of the minutes and records of the corporation, he had not been able to find that any by-laws of the Occident Club had been definitely approved and adopted by the members of the Club and that it would be necessary, therefore, that a complete new set of by-laws be adopted by the members of the corporation at this meeting in order that the proposed sale of a part of the real estate belonging to the corporation might be legally made to the Mountain States Telephone and Telegraph Company. Accordingly, the members of the corporation proceeded to consider and adopt a code of by-laws which were read to the corporation and considered section by section. At the conclusion of the reading of the proposed by-laws it was moved by Member Zelma M. Rose that the following by-laws be, and they are hereby adopted, by the Occident Club. This motion was seconded by Member Dean Ulmer and being put to a vote by the President was unanimously adopted. Whereupon, the President declared the foregoing by-laws duly adopted as the by-laws of the Occident Club and ordered them placed in the book of by-laws.

The next order of business was the nomination and election of the Five Directors of the corporation. Member Zelma Rose moved that the present elective officers, namely, Oral S. Coleman, Helen Marie Clark, Millia Harrison, Mildred Botkin and Susie Cairns, be elected as the directors of the corporation for the current year and to serve until their successors are elected and qualified. This motion was seconded by Member Nita F. Scrivner and upon being put to a vote by the President, was unanimously adopted.

The next order of business was to consider and act upon a proposal of the Mountain States Telephone and Telegraph Company, a corporation, to purchase a portion of real property of the corporation as described in the foregoing all for the consideration of \$2,000.00. This matter was thoroughly discussed by the members of the corporation and being fully understood by the members present, Orpha M. Baldwin offered the following resolution and moved its adoption.

"WHEREAS, Occident Club, a corporation duly organized and existing under and by virtue of the laws of the State of Idaho, and by its charter having power to acquire, sell and dispose of any or all of its property and real estate as the corporation shall determine, and has heretofore acquired, and now owns, Lots One (1), Two (2), and Three (3), Block Three (3) of the Townsite of Meridian, in Ada County, State of Idaho, according to the Amended Plat thereof in Book 1 of Plats at page 30 of the records in the office of the

County Recorder of said Ada County, State of Idaho, and has an opportunity to sell the North Thirty (30) feet of each of said lots; and

WHEREAS, the retention of the North Thirty (30) feet of said Lot One (1), Two (2), and Three (3), Block Three (3), of the Townsite of Meridian, in Ada County, Idaho, according to the Amended Plat thereof in Book 1 of Plats at page 30 of the records in the office of the County Recorder of the said Ada County, State of Idaho, by this corporation is, in the considered judgment and opinion of the members of Occident Club, no longer desirable or necessary in the conduct of its business and purposes and should be sold, and that such sale will be to the distinct financial advantage of this corporation and its members.

NOW, THEREFORE, BE IT RESOLVED, That Occident Club, an Idaho Corporation, sell, transfer, and convey to The Mountain States Telephone and Telegraph Company, a Colorado Corporation, by a good and sufficient warranty deed of conveyance, in substantially the form submitted and considered at this meeting, the North Thirty (30) feet of Lots Numbered One (1), Two (2), and Three (3), Block Numbered Three (3) of the Townsite of Meridian, in Ada County, State of Idaho, according to the Amended Plat thereof in Book 1 of Plats at page 30 of the records in the office of the County Recorder of the said Ada County, State of Idaho, for the sum of TWO THOUSAND DOLLARS (\$2,000.00) cash, lawful money of the United States of America; and

BE IT FURTHER RESOLVED, That the Board of Directors of said corporation be, and they are hereby specially authorized and directed to sell, and by sufficient and proper instruments to convey the real estate in this resolution particularly described, to the said The Mountain States Telephone and Telegraph Company, a Colorado Corporation, and to do and perform all acts and things necessary, useful and convenient to effectually carry out the foregoing resolution; and that we, the members of said corporation, hereby consent to each and all of the matters hereinbefore set forth, and hereby ratify and confirm the same, and all else that said Board of Directors shall lawfully do in the premises."

The foregoing resolution was seconded by Member Susie Cairns. The resolution was then put to a vote by the President with the result that all members of the corporation voted in favor of the said resolution and none voted against it. Whereupon, the President declared the resolution duly adopted by the corporation and ordered the same spread in its minutes.

With respect to paragraph 4 of the foregoing notice of this special meeting of the members of Occident Club, which provides for the consideration of proposed amendments to the articles of incorporation concerning a public library, it appearing that it has not yet been determined as to the real necessity for such amendment under present circumstances, upon motion unanimously adopted it was ordered that the consideration and action upon such proposed amendment be deferred to a subsequent meeting of the members of the corporation, or its Board of Directors, the same to be presented to such meeting when deemed proper by the President.

There being no further business before the meeting, upon motion duly made and carried, the meeting adjourned.

Oval S. Coleman.

President.
