COMFORT

Oh, deem not they are blest alone
Whose lives a peaceful tenor keep;
The Power who pities man has shown
A blessing for the eyes that weep.

The light of smiles shall fill again
The lids that overflow with tears;
And weary hours of woe and pain
Are promises of happier years.

For God has marked each sorrowing day,
And numbered every secret tear,
And heaven's long age of bliss shall pay
For all his children suffer here.

COMFORT

Oh, deem not they are blest alone
Whose lives a peaceful tenor keep;
The Power who pities man has shown
A blessing for the eyes that weep.

The light of smiles shall fill again
The lids that overflow with tears;
And weary hours of woe and pain
Are promises of happier years.

For God has marked each sorrowing day,
And numbered every secret tear,
And heaven's long age of bliss shall pay
For all his children suffer here.

LETTER FROM THE VETERANS AFFAIRS DIVISION

Another new year is beginning, let's make it a record one for achievements. Club reports on Veterans Affairs for 1969 were disappointing with the exception of three clubs. Let's all try to have better reports this coming year. The better way is to make plans early, now, and be ready to start when your club resumes their meetings after a summer recess.

NEW PROJECT: This year we are starting a new project. We are asking each club to contribute \$1.00 to help us buy pictures for the Veterans Hospital, Boise. This will help brighten up the hospital rooms and make them more pleasant for the patients.

Let's all try to have better reports this coming year. The better way is to make plans early, now, and be ready to start when your club resumes their meetings after a summer recess.

VETERAN: There seems to be no recess for the man in the fighting line nor for the disabled who are lying in a hospital. I would like to ask each to make a special effort to do a little something for our fighting men. Letters or things from their own home town are much appreciated by the men overseas. He is fighting for our protection.

STATE PROJECT: The same project as last year will be carried out, which is contributions to purchase appropriate pictures to be hung in every room and corridors of the Veterans Hospital, Boise. Three clubs donated money last year. One gave \$25, another \$5, and the third, \$1. The contributions were much appreciated but much more money is needed. We thank you for your help. With 58 clubs in the state it would be nice if everyone would try to give a dollar. I think the project is a worthy one and will make the rooms more pleasant and bring a little sunshine into the veterans life. Please make your contributions to the "picture fund" and mail to State Recording Secretary, Mrs. H. J. Schmahl, 2124 S. Kimball, Caldwell, Idaho 83605.

VOLUNTEER HOSPITAL WORKERS: The General Federation chairman is stressing more women, Senior and Junior members, to volunteer their services in the Veterans Hospitals. The women living close enough to commute to Boise can inquire about this service from Mr. George Flamm, Director of Volunteer Workers at the hospital. If you do volunteer work at the V.A. Home or Hospital, have the item put in the paper and then send clippings to me. I will forward them to the General chairman as she wishes to have them. Don't hide your candle under a bushel, let the public know about our work, it is good publicity.

Dear Mrs. Sandy:

This will acknowledge receipt of three framed pictures for hanging in patient areas, which you brought to my office yesterday. These were donated through the Meridian Occident Club by Mrs. Voris Botkin. Please express our appreciation to your members, and especially to Mrs. Botkin, for their thoughtfulness toward our veteran patients.

The Picture Project was initiated last fall, and is designed to promote a more homelike atmosphere throughout the hospital. As you know, the project is supported both by donations of pictures and funds to be used for the purchase of pictures. This program, when completed, will provide interest and pleasure for our hospitalized veterans for many years to come.

Thank you again for your interest.

Sincerely,

Pioneer Heritage

Once upon a time the story goes,
This Club was new, as yet untried.
To help this young town grow,
Its woman's courage strong
worked side by side.

A Library slowly grew;
Other bits of help worked in;
Summers came and winters flew;
Finances, never spirit, sometimes thin.

Their toil went on unceasingly—
The Emergency Chest was born!
Through all the years
Their work well done.

So blossomed forth in History's page
The dreams of sturdy pioneers—
The story of our Heritage.
